www.txses.org

Our educational efforts include:

- Renewable energy chapter events
- Austin Cool House Tour
- Chapter participation in the American Solar Energy Society National Solar Tour
- Scholarships & grants to further renewable energy education

Become a member and help us further the good word of renewable energy and resource conservation

the solution comes up every morning

TEXAS
SOLAR ENERGY SOCIETY

TXSES is a member of the American Solar Energy Society, shining light on the solution since 1954.
